INSTRUCTIONS FOR COMPLETING CHILD SUPPORT WORKSHEET A OBLIGEE WITH SOLE CUSTODY OF CHILD(REN)

Worksheet A should be used when the obligee has physical custody of the child(ren) who are involved in the pending action for a period of time that is more than two-thirds of the year (more than 243 days per year).

On line 1, enter the monthly gross incomes of both parties in the appropriate column, subtract the payments made by each parent under previous child support orders for other children of that parent and the amount of the parent's financial responsibility for other children living with that parent, and enter the difference (monthly adjusted gross income) for each parent on line 2. Add the monthly adjusted gross incomes of both parents and enter the result in the third column (Combined) on line 2. Divide each parent's monthly adjusted gross income by the combined monthly adjusted income and enter each parent's percentage share of the combined income on line 3.

On line 4, enter the amount of the basic child support obligation for the child(ren) for whom support is sought by using the Schedule of Basic Child Support Obligations based on the combined income of both parents (line 3) and the number of children involved in the pending action. If the non-custodial parent's income falls within the shaded area of the Schedule, determine the basic child support obligation based on the non-custodial parent's monthly adjusted gross income, rather than the combined income of both parents.

On lines 5a through 5c, enter the amount of work-related child care costs, health insurance premiums for the child(ren), and extraordinary child-related expenses that are paid by either parent under the column for that parent. On line 5d, enter the sum of lines 5a through 5c for each parent, and in the third column (Combined) enter the total expenses paid by both parents. Add line 4 and line 5d (Combined) and enter the result on line 6 (total child support obligation).

On line 7, multiply line 6 by line 3 (percentage share of income) and enter the result in the appropriate column for each parent. On line 8, enter the amount of expenses paid directly by the non-custodial parent (line 5d) under the appropriate column; leave the custodial parent's column blank and do not enter any amount paid by the custodial parent. Subtract line 8 from line 7 for the non-custodial parent only and enter the difference on line 9 (recommended child support order) under the column for the non-custodial parent. Leave the column for the custodial parent blank.
